

GOVERNMENT COLLEGE FOR WOMEN, PARADE GROUND JAMMU- UT of J&K

(Erstwhile Maharani Mahila College)

Autonomous College under the University of Jammu
College with Potential for Excellence, 2016

(Estd. 1944)

Prospectus : PG Programmes (2024-25)

From The Desk

Dr. Ravender Kumar Tickoo
Principal

Welcome !

Government College for Women, Parade is also known as Abode of Excellence where lives are transformed, creative minds flourish, and visions evolve into fulfilled dreams. With decades of achievement in generations of women's education ,our college continues to move forward together with confidence, pride and passion. Our mission is to educate and empower women, and we are thrilled that you are considering this institution for professional and academic higher education. Driven by our vision of imparting knowledge and maintaining global standards of education, GCW Parade has undergone numerous transformations and improvements since its inception in 1953. We are committed to provide a nurturing environment where every student can thrive, learn, and contribute to society.

In today's competitive scenario , it is a very challenging time for the academicians to groom themselves and make themselves ready for the E learning and digital revolution in the Higher education. We are, therefore, focused and committed to provide best resources and infrastructure to our students and also prioritize research and innovation not only to enhance the knowledge of the students but also to prepare them for higher studies and future career opportunities. It is with our continuous effort and dedication that we are catering to the needs of students and are running our PG courses successfully.

As an Autonomous institution in line with the New Education Policy NEP ,targeted goals are accomplished on regular basis which mainly focus on all round growth and progress of our students. Together, let's continue the legacy of excellence at GCW, Parade Ground, Jammu!

Wish u all the best!

Dr Ravender Kr. Tickoo

College Profile

The farsighted vision of Maharani Tara Devi regarding the dissemination of education among women in Jammu culminated in the establishment of MAHARANI MAHILA College on June 1st, 1944. On 25th, November, 1953 The College was taken over by the Government of Jammu & Kashmir and renamed as Government College for Women, Parade Ground, Jammu. Originally envisioned to empower women through education, the college began with a limited scope, offering Arts courses.

However, its transformative journey has led it to evolve into a comprehensive institution offering a wide array of undergraduate programs in Arts, Science, Commerce, BCA, and Postgraduate programs in Music, Home Science, Zoology, English, and Computer Applications (MCA). Over the span of more than seventy-seven years since its inception, the college has earned a prestigious reputation as a leading academic institution for women in Jammu & Kashmir.

In recognition of its Academic Excellence and progressive initiatives, the college was granted Autonomy and CPE (College with Potential for Excellence) status by the University Grants Commission (UGC) in 2014 and 2016 respectively.

The institution's mission has expanded beyond academic excellence to include the cultivation of a scientific, literary, and creative temperament among its students. It aims to instill a sense of responsibility, human values, and practical skills essential for sustainable living. This vision underscores its commitment to evolving into a center of learning that not only educates but also nurtures holistic development among its students.

Post Graduate Programmes

S.No	Name of the Programme	Year of Commencement
1	M.Sc. Home Science	2002
2	M.A. Music	2004
3	M.A. English	2018
4	M.Sc. Zoology	2018
5	MCA	2018

- 1) In case only one seat is available under category 10(a), 10(b) or category 11(a), 11(b) the same shall be filled on basis of comparative merit of all the candidates under these categories put together, as the case may be.
- 2) For determining the number of seats under any reserved category, fraction of less than one half shall be ignored and fraction of one half and more shall be treated as one. The benefit of fraction shall be given to each category separately even if it means an overall marginal increase in seats in any course of study.
- 3) In case any of the seat/s remain vacant in a reserved category (which are convertible) for want of eligible candidates, the same will be offered to the candidates of non-reserved i.e. open merit group.
- 4) Selection of candidates against reserved seats shall be made on the basis of comparative merit in the respective categories, except achievement categories.
- 5) For selection under Achievement category inter-se-merit shall be determined in accordance to the Statute---
a) marks/points awarded to such a candidate for these activities, plus b) one fourth (1/4) of the percentage of the CUET Score (CUET-PG-24). The composite score thus calculated, shall form the basis of admission.
- 6) To be a beneficiary of reservation, the candidate must be a permanent resident / domicile of J&K UT, except when applying under categories 10(a), 10(b) i.e. Sports/cultural and Literary activities and 11(a), 11(b), i.e. NCC/NSS/Bharat Scouts and Guides activities for which he/she must have passed the qualifying examination from University of Jammu or from any recognized university within the Jammu province.
- 7) Castes/Groups falling under ST(i) 1. Bakarwal 2, Balti 3. Beda 4. Bot, Boto 5. Brokpa, Drokpa, Dard, Shin 6. Changpa, 7. Garra 8. Gaddi 9. Gujjar 10. Mon 11. Purigpa 12. Sippi; (existing list as per constitution (J&K) Schedule Tribes Order, 1989 and the Constitution (Scheduled Tribes) order (Amendment) Act, 1991
- 8) Castes/Groups falling under ST(ii); 1) Gadda Brahmin 2) Koli 3) Paddari tribe 4) Pahari Ethnic Group; (added vide the Constitution (J&K) Scheduled Tribes Order (Amendment) Act, 2024
- 9) Seats under categories 1-7 are convertible and rest are non- convertible.

Fee Structure of Post Graduate Courses (1st Year)

S.No	Programme	Fee Structure
1.	MCA	INR 23012
2.	English	INR 13047
3.	Music	INR 13712
4.	Zoology	INR 14872
5.	Home Science	INR 14262

SCOPE OF PG PROGRAMMES

- **MCA:** The Department of Computer Sciences has been running two-year MCA degree programme divided into four semesters. The course provides a blend of theoretical understanding and hands-on experience through mandatory projects. The program also equips students with the necessary expertise to analyze problems and design and develop software solutions using emerging tools and technologies. Overall, MCA prepares graduates for rewarding careers in software development, web development, mobile app development, and system analysis. It also serves as a stepping stone for research-level courses in the field of Computer Science.
- **M.A. English:** Pursuing an M.A. English can open up a range of opportunities for personal & professional growth. Students can pursue diverse career paths. Some common options includes teaching at the college or University level, working in publishing, journalism, writing, editing etc. M.A. in English Literature can serve as a stepping stone for further research in the field. Engaging with literature at an advanced level can be applied in various fields, giving the flexibility to explore different career paths and finally engaging with a variety of texts from different periods & cultures helps in enhancing analytical & critical thinking skills.
- **M.Sc. Home Science:** Department of Home science is committed towards the mission of improving the quality of life by creating and disseminating knowledge to intervention programmes about child development and immediate concerns of early childhood care and education. Masters of Home Science in Early Childhood Care and Education(ECCE) program Open a window of opportunities for candidates looking for employment and career opportunity in both Government and Private Sectors as Preschool/elementary school teacher , Preschool or Childcare Centre Director, Early childhood professionals, Educational NGOs, or as Independent consultants or Entrepreneurs, Elementary school Curriculum Designer, supervisors in Social welfare Department ,special needs schools Care Takers , hospitals working with children and much more.

➤ **M.A. Music:** This course is a comprehensive study on Music theory, the cultural history of Music, and performance art. If you are looking for a job as a professional musician, this is the best course for you. It will be a supplement to your existing skills and will help you hone your talent in the field of Music. There are a plenty of specialization opportunities that help you focus on your area of interest.

A Postgraduate degree in Music can land you with different types of jobs, ranging from the education sector to the entertainment sector. Some job profiles are- Music teacher/professor, composer, music director, singer, songwriter, music/band manager, disc jockey and many more.

➤ **M.Sc. Zoology:** As a post-graduate in Zoology, you have several career paths and opportunities available to you such as :

Research Scientist: You can pursue research in various areas such as ecology, genetics, marine biology, etc., either in academia or research institutions.

Conservation Biologist: Work in conservation organizations to protect endangered species and habitats, focusing on biodiversity conservation.

Wildlife Biologist: Study wildlife behavior, ecology, and management, often working with government agencies, NGOs, or private organizations.

Zoologist: Study animals' physiology, behavior, and interactions with ecosystems, often in research or educational institutions

Environmental Consultant: Assess environmental impacts of projects, develop conservation plans, and advise on sustainable practices.

Science Communicator: Use your knowledge to educate the public through writing, journalism, or outreach programs.

Biotechnologist: Apply biological knowledge in industries such as pharmaceuticals, agriculture, or biotechnology.

Teacher/Professor: Educate future generations in schools, colleges, or universities.

Overall, pursuing a PhD in Zoology provides a solid foundation for a career in scientific research, conservation, education, or policy-making, depending on your specific interests and career goals. It's important to choose a research topic and advisor that align with your passions and career aspirations to maximize your impact and satisfaction in the field.

Pedagogy Approaches

A) Teacher- Centric

ICT Facilitated Teaching Classrooms: Projectors, Smart Boards, Digital Teaching devices, Laptops, Tablets.

Demonstrative Teaching: Zoology Labs, Computer Labs, Virtual Labs, Language Laboratory, Zoological Museum.

E Resources: Video Lectures, Online E-Resources, EDUSAT Recorded lectures, PPT's

B) Student- Centric

Experimental Learning

- Field Trips
- Visit to Industrial Units & other Organizations
- Visit to Fishery Farms, Aquarium, Wetland, IIIM etc

Participatory Learning

- Group Discussions
- Debates/ Quizzes/ Seminars/ Workshops/ Conferences etc
- Home Assignments/ Projects
- Departmental Libraries

A canvas of feelings, comprises 25 distinct poems, each a vivid portrayal of the intricate tapestry of human emotions residing within the heart's chambers. Within these verses, readers will delve into a rich array of feelings drawn from the depths of the human experience. Some poems explore the rawness of dejection, laying bare the ache of shattered expectations. Others delve into the tender tendrils of love, weaving tales of affection and longing. Moreover, amidst these verses lie poignant reflections on heartbreak, capturing the agony and resilience that accompanies fractured emotions. Through these varied themes, the collection endeavors to offer a panoramic view of the diverse emotional landscapes that shape and define our lives. The book is a profound voyage through the intricacies of human emotions and experiences. Each poem within its pages is a brushstroke painting a vivid canvas of experiences, capturing moments both fleeting and eternal.

ABOUT THE AUTHOR

Asaetika, hailing from The City Of Temples (Jammu, J&K) finds solace and expression in poetry, capturing both her observations and emotions.

She is a book reviewer and a bibliophile who delights in exploring literature from established and emerging writers, contributing her own pieces to three anthologies: *The Rainbow of Life, Dreams (Volume 2)*, and *Love is in the Air (Volume 2)*. Preferring dawns in roses and sunrises to sunsets, she holds a profound fascination for the sky. When words fail, she seamlessly intertwines her feelings into verses, viewing poetry as her cathartic release.
