From the Principal's Desk

Dear Students,

It is with great pride that I welcome you to Government College for Women, Parade Ground, Jammu, an institution with a legacy of academic excellence, leadership, and women's empowerment. Formerly known as Maharani Mahila College, our institution has been a pioneer in shaping the minds of young women, encouraging them to dream, aspire, and achieve. Education, as we believe, is not just about earning degrees—it is about gaining wisdom, life skills, and the ability to transform society.

The New Education Policy (NEP) 2020 has ushered in a new era of undergraduate education in India, shifting from rigid structures to a flexible, multidisciplinary approach. At GCW Parade, we have embraced this transformation wholeheartedly. The multiple entry and exit system ensures that students can earn certificates, diplomas, and degrees at different stages of their education, making learning more inclusive and accessible. A greater focus on skill development, internships, and research ensures that students graduate not just with theoretical knowledge but with practical, job-ready skills. The integration of technology, critical thinking, and experiential learning prepares students for global challenges and diverse career opportunities.

With these changes, higher education is no longer just about acquiring degrees—it is about building competencies, nurturing creativity, and fostering leadership. As *Ralph Waldo Emerson* once said, "Do not go where the path may lead, go instead where there is no path and leave a trail." The new undergraduate framework empowers you to create your own path, explore new fields, and redefine success on your terms.

Our Mass Communication and Media Production (MCMP) Department is equipping students with the latest skills in journalism, digital media, and storytelling, ensuring they can thrive in the dynamic world of media and communication. Meanwhile, our Postgraduate Departments of English, Zoology and Music continue to set high academic and research standards, fostering critical analysis and scientific inquiry.

Students opting for the Design Your Degree (DYD) Program, now have the freedom to design their own academic pathways enabling them to combine subjects from different disciplines based on their interests and career goals. By collaborating with the Cluster Innovation Centre (CIC) of the University of Delhi, the college has developed a comprehensive framework that emphasizes continuous evaluation and learner-centric approaches. This collaboration ensures that students receive a holistic education, integrating traditional knowledge with modern pedagogical practices.

Our students also excel beyond academics, with our National Cadet Corps (NCC) and National Service Scheme (NSS) units instilling a spirit of discipline, leadership, and service. The NCC fosters patriotism, endurance, and leadership qualities, while the NSS encourages students to engage in community service, environmental conservation, and social welfare programs. These activities shape students into socially responsible citizens and nation-builders, reinforcing the ideals of *Viksit Bharat 2047*—a vision of a self-reliant, progressive, and inclusive India.

Sports have always been a pillar of strength and achievement at GCW Parade and our students have won laurels at state and national levels in the field. We offer sports like volleyball, basketball, table tennis, kho-kho, kabaddi, badminton etc., that encourage students to learn that discipline, teamwork, and perseverance lead to success in all walks of life. As *Serena Williams* once said, "Every woman's success should be an inspiration to another. We're strongest when we cheer each other on." We encourage every student to participate in sports, yoga, and extracurricular activities, as they not only promote physical well-being but also instill mental resilience and confidence.

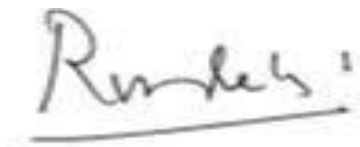

As an institution dedicated to equality, inclusion, and the spirit of Vasudhaiva Kutumbakam—"the world is one family", we stand firm in our mission to provide equal opportunities to all students. GCW Parade is not just a college; it is a space where young women discover their potential, break barriers, and contribute to a better world.

The words of Maya Angelou in *Phenomenal Woman* capture the essence of our students:

*"It's in the fire in my eyes,
And the flash of my teeth,
The swing in my waist,
And the joy in my feet.
I'm a woman,
Phenomenally.
Phenomenal woman,
That's me."*

You are all phenomenal women, capable of breaking barriers, shattering stereotypes, and making history. So, let your voices be heard, your ambitions soar, and your actions inspire. With courage in your hearts, knowledge in your minds, and determination in your actions, I am certain that you will uphold the legacy of GCW Parade and make meaningful contributions to the world.

Wishing you a transformative, enriching, and successful academic journey. Step forward with confidence, knowing that the future is yours to shape!

Dr. Ravender Kumar Tickoo
Principal,
Government College for Women, Parade Ground, Jammu

College Profile

Government College for Women (GCW), Parade Ground, Jammu, holds the distinction of being the first women's college in the Jammu Province. Established on June 1, 1944, by Maharani Tara Devi during the reign of Maharaja Hari Singh, it was initially named Maharani Mahila College. The institution was taken over by the Government of Jammu & Kashmir on November 25, 1953, and subsequently renamed as Government College for Women, Parade Ground, Jammu.

Over the decades, GCW Parade Ground has evolved into a premier institution dedicated to women's education, offering a diverse range of major and minor courses across Arts, Sciences, Commerce, Music, and Computer

Applications. With a number of skill, vocational, value added, ability enhancement and multidisciplinary courses available, the college caters to the academic aspirations of over 5,000 students. The College has been recognized in the National Institutional Ranking Framework (NIRF) 2024, securing a position within the 151-200 rank band among colleges in India. This acknowledgment reflects the institution's commitment to providing quality education and its standing in the academic community.

In alignment with the National Education Policy (NEP) 2020, GCW Parade Ground has introduced innovative programs such as the Four-Year Undergraduate Program: Design Your Degree (DYD), commencing from the academic session 2023-24. For those seeking a more personalized academic journey, the DYD Program offers the flexibility to curate their own interdisciplinary learning experience, blending subjects

from various fields to align with their passions and career aspirations.

Our Mass Communication and Media Production (MCMP) Department is preparing students with cutting-edge skills in journalism, digital media, and storytelling, empowering them to excel in the ever-evolving media landscape. At the same time, our Postgraduate Departments of English, Music and Zoology uphold a tradition of academic excellence, driving forward critical thinking, and scientific exploration.

The college boasts a vibrant campus life with facilities including a well-equipped library, auditorium, botanical garden, open-air gym, health center, hostel accommodations, and various cells and labs dedicated to entrepreneurship development, innovation, language learning, and legal aid. Additionally, students can engage in extracurricular activities through the National Cadet Corps (NCC), National Service Scheme (NSS), Arts and Crafts Center, and various cultural programs, ensuring holistic development alongside academic pursuits. Strategically located opposite the historic Parade Ground in Old Jammu City, the college offers easy access to various parts of the city, providing students with a blend of rich heritage and modern amenities.

Under the leadership of Principal Dr. Ravender Kumar Tickoo, GCW Parade Ground remains committed to nurturing responsible and thoughtful members of society, instilling self-confidence, and fostering a dynamic learning environment.

For more information, prospective students are encouraged to visit the official college website at www.gcwparade.in.

National Education Policy

The Government College for Women (GCW), Parade Ground, Jammu, stands out as a vibrant hub of academic innovation and holistic development under the transformative framework of the National Education Policy (NEP) 2020. As one of the pioneering institutions in J&K to implement the Four-Year Undergraduate Programme (FYUGP), the college offers students exceptional academic flexibility, allowing them to explore a rich blend of disciplinary and interdisciplinary courses tailored to emerging career paths and personal interests.

GCW Parade has gone beyond traditional classroom learning by embedding a variety of skill-based and vocational courses into its curriculum. The college is among the first to offer **Mass Communication** both as a **major subject** and as a **skill enhancement course**, equipping students with hands-on media training and communication strategies crucial in today's digital era. Another unique highlight is the introduction of **Indian Knowledge Systems (IKS)** as a multidisciplinary course, fostering a deep understanding of India's philosophical, scientific, and cultural traditions.

Creative and vocational pursuits are actively encouraged. Students can now take up **Fashion Designing**, **Performing Arts**, and **Bakery & Culinary Arts** as skill-based options. GCW Parade regularly hosts workshops in traditional Indian dance forms such as **Chhau**, enriching the cultural and artistic exposure of students. The popular **“Earning While Learning” fair**, organized under the NEP Cell, gives students a platform to showcase and monetize their talents—be it in craft, food, fashion, or performance—fostering entrepreneurial spirit and practical experience.

State-of-the-art infrastructural upgrades complement these offerings. Fully equipped modular laboratories in subjects like Psychology, Anthropology, and Geography, alongside ICT-enabled smart classrooms and seminar halls, create an ideal environment for experiential learning. The college's **Internal Quality Assurance Cell (IQAC)** ensures continuous innovation by facilitating curriculum updates, organizing training programs, and monitoring academic quality in line with NEP goals.

GCW Parade has also embraced digital learning advancements through the implementation of **Massive Open Online Courses (MOOCs)** and the **Academic Bank of Credits (ABC)** system. Students are encouraged to enroll in MOOCs via platforms like SWAYAM, allowing them to earn credits in diverse subjects at their own pace and convenience. These credits are seamlessly integrated into their academic records through the ABC system, offering flexibility, mobility, and academic freedom in line with NEP 2020's vision of a student-centric education ecosystem.

Adding to its dynamic range of offerings, GCW Parade Ground has also introduced the **Design Your Degree (DYD)** program—an innovative academic pathway aligned with the NEP 2020 vision. The DYD program empowers students to craft a personalized educational journey by choosing courses across multiple disciplines and skill areas, enabling them to design a degree that aligns with their career aspirations and passions. This learner-centric approach allows for a mix of traditional academics with modern skill-based modules such as Mass Communication, Fashion Designing, Performing Arts, and Indian Knowledge Systems. Through academic mentorship, project-based learning, and a flexible credit system, the DYD program at GCW Parade fosters autonomy, creativity, and real-world readiness, making students active architects of their educational and professional futures.

With its forward-thinking implementation of NEP 2020, GCW Parade Ground has redefined the landscape of women's higher education in the region. By blending academic rigor with creative freedom, skill development,

and global exposure, the college prepares students not just for degrees, but for dynamic careers and meaningful lives. Whether aspiring to become a journalist, entrepreneur, designer, researcher, or artist, students at GCW Parade find the resources, support, and inspiration to thrive. It is not just a college—it is a launchpad for empowered futures.

UNIQUE SUBJECT OFFERINGS

ANTHROPOLOGY

A favourite among UPSE Exam aspirants, study ANTHROPOLOGY in depth to understand the full sweep and complexity of cultures across all of human history. Anthropology draws and builds upon knowledge from the social and biological sciences as well as the humanities and physical sciences. The graduates of Anthropology can pursue professions such as Anthropologist, People and Culture Manager, Forensic Anthropologist, Field Investigator, and Educator.

MCMP

Students pursuing MASS COMMUNICATION AND MULTIMEDIA PRODUCTION have a wide range of exciting career opportunities in various industries. They can build successful careers in journalism, television and radio broadcasting, digital content creation, public relations, advertising, and corporate communication. Multimedia production skills open doors to film and video editing, animation, sound design, graphic design, and web development. With the growing demand for digital media, students can also explore emerging fields like social media management, content marketing, and virtual reality storytelling. These careers combine creativity, technology, and communication to shape the future of media and entertainment industries.

UNIQUE SUBJECT OFFERINGS

PUBLIC ADMINISTRATION

PUBLIC ADMINISTRATION offers a diverse range of career opportunities for students interested in governance, policy-making, and public service. Graduates can pursue careers in the civil services through examinations like the UPSC (IAS, IPS, IFS, IRS) and various state-level public service commissions. Other options include working in public sector undertakings (PSUs), municipal bodies, and government departments in roles related to policy analysis, development administration, and welfare programs. Opportunities also exist in non-governmental organizations (NGOs), international organizations, and think tanks, where professionals contribute to research, public policy, and social welfare projects. With India's growing focus on digital governance, e-governance roles in data management and policy implementation are also expanding, making Public Administration a dynamic and impactful field.

MUSIC

MUSIC combines academia with talent and skill. Students can become singers, instrumentalists, composers and explore careers in film music, classical or folk traditions, fusion genres, and music education. With the growth of digital platforms, independent music and content creation for YouTube, streaming apps, and social media offer additional avenues. Music careers can be both traditional and modern, blending art with technology, and offering immense scope for creative expression and cultural impact.

Design Your Degree: Four-Year Undergraduate Program

The Cluster Innovation Centre, Delhi University, pioneered the concept of Design Your Degree Program in 2011 with a vision to inculcate innovation in educational pedagogy.

The GCW Parade Ground Jammu introduced this groundbreaking initiative – the Four Year Undergraduate Program: Design Your Degree, which commenced from the Academic Session 2023-24.

This pioneering program is crafted to serve as a crucible for self-discovery and exploration, empowering students to chart their academic trajectory in consonance with their passions and aspirations.

By nurturing an environment conducive to introspection and innovation, the program endeavors to instill in students a sense of purpose and agency, fostering their evolution into conscientious global citizens.

Examination and Assessment

For an autonomous institution of higher learning, the examination wing is undisputedly the most important component whose working defines the quality of the institution. Over the past few years, the examination wing of GCW Parade Ground has established itself as the strongest component of college on the basis of integrity, transparency and professionalism.

Timely declaration of results and subsequent solution of any discrepancies / problems arising out of the same have helped students to a greater extent. A strong student support system in the form of dedicated Examination Wing Help desk has been established.

Following is a brief outline of the organization and working of Examination Wing of GCW Parade Ground, Jammu:

Examination process:

The whole process of Examinations of various semesters of UG and PG has following components:

- Conduct
- Coding
- Evaluation
- Declaration of results

Examination calendar

- Examinations of 1st, 3rd and 5th semester (Regular/Private) are conducted in the month of November-December.
- Examinations of 2nd, 4th and 6th semester (Regular/Private) are conducted in the month of April-May.
- Supplementary Examinations of 5th and 6th semester are conducted in the month of July-August.

Internal Assessment

- For being eligible to sit in examination students are required to have a minimum of 75% attendance in each theory paper and minimum of 15 marks practical in each semester.
- Internal Assessment (Theory) shall be for 20 marks. There will be one of 15 marks in each theory paper and weight age for attendance is 5 marks.
- Internal and External (Practical) Examination shall be for 50 marks in all. 25 marks reserved for internal practical examination and 25 marks for external practical examination.

Student Aid and Scholarships:

Student Aid and Scholarships

The college is committed to supporting economically disadvantaged and deserving students through various scholarship initiatives. Scholarships are primarily facilitated through the **National Scholarship Portal (NSP)**, which serves as the central platform for multiple government-sponsored schemes.

In addition to national schemes, the college extends **Financial Aid** to its financially weaker students through the **Student Aid Fund (Local Fund)**. Under this fund, scholarships are awarded to students belonging to any of the following categories:

- **Category A:** Orphaned students or those from broken families
- **Category B:** Differently-abled students or those with handicapped parents
- **Category C:** Students from Economically Weaker Sections (EWS) or Antyodaya Anna Yojana (AAY) cardholders
